(Serial No. 9)

Sardar Charanjit Singh Channi : Sir, I beg to draw the attention of the Government towards a matter of urgent public importance, namely, the state-wide agitation and "dharna" being resorted to by the State Government employees belonging to Scheduled Castes Communities for seeking redressal of their Constitutional Right for promotion against the vacant posts reserved for members of Scheduled Castes Communities, commonly known as "backlog", in various services of the State Government. A great resentment is prevailing in them against denial of their right which has the potential of disturbing the social harmony in the State.

Keeping in view the obvious and urgent importance of the matter, the Minister concerned may

please be asked to make a statement on the floor of the House.
